Dear Mr. Oliver:

This is in further reference to our correspondence regarding your concerns about the disposal of hazardous waste materials.

As you know, I again contacted Mr. John H. Hankinson, Jr., Southeast Regional Administrator for the Environmental Protection Agency, about this matter. As a result, I have received another letter from him, which I have enclosed for your files. Mr. Hankinson indicates he has forwarded the information you provided to officials in the Criminal Investigation Division to ensure this matter is thoroughly reviewed.

Should I receive further word, I will be back in touch. In the meantime, if I can be of assistance in other matters, please let me know.

Sincerely,

Jim Sasser
United States Senator
